Sir,

Sub: Proposal to Sign a Memorandum of Understanding (MOU) with your Organisation - reg

I am writing to formally propose a collaboration between School of Agriculture and Animal Sciences, Gandhigram Rural Institute, Gandhigram and your organisation to establish a mutually beneficial partnership through a Memorandum of Understanding (MOU). Over the years, we have aimed to bridge the gap between industry practices and academic knowledge, and faculty with hands-on experiences and practical applications of theoretical concepts to empowering the students. This initiative is aimed at nurturing academic, industrial, and social collaborations that benefit all parties involved.

We believe that by signing this MOU, we can create opportunities to:

1. Provide internship and fieldwork opportunities for students.
2. Promote innovation and entrepreneurship in agriculture and related industries.
3. Facilitate knowledge sharing through workshops, seminars, and training programs.
4. Undertake collaborative development projects.

We are confident that this partnership will not only enhance the practical learning experiences of our students but also contribute significantly to attain community engagement. We would be honoured to discuss this further at your earliest convenience. Let us know to finalize the terms of the agreement.

Thank you for considering this proposal.

Yours sincerely,

(M. SUNDARAMARI)
