Annual Report 2014–2015

From the Director's Desk

It gives me immense pleasure to place before you the Annual Report of COODU Trust for the year 2014-15, another remarkable year to report the our glorious achievements in initiating innovative programmes and activities.

We have travelled a long road to carve a niche for ourself, keeping steadfastly to our commitments towards women and children of the country. Our long 10 year saga has given the required impetus and stimulation in carrying out the mission, originally conceived to our focus and thrusts with renewed conviction and determination. The mission of COODU Trust is to facilitate rural development vigorously through governmental initiatives. The goal is to enrich the quality of life of the poor by meeting the basic needs and generating employment opportunities .

Our activities implies both the economic betterment of people as well as greater social transformation. In order to provide the rural people with better prospects for economic development, skill developments programmes were tailored and implemented.

The main thrust for skill development was laid on agriculture sector, animal husbandry, women development, health and allied sectors with adequate support from Government and corporate sector supplemented by direct and indirect involvement of local NGOs/CBOs/FPOs/Voluntary organizations and people at the grass root level.

With regards,

S. Jagadeesan,

Director.

Building **Self-sufficient and Self-reliant communities** is the vision of Coodu Trust. Coodu Trust has pioneered professional watershed management programs in Tamil Nadu since its inception in 2000 and has emerged as one of the leading organization in rural development implementing a range of projects including Women Development, Self Help Groups (SHGs), Micro-Credits, Agriculture and Organic farming, Health, Skill Development, Research and Documentation. Over the years the organisation has gained considerable experience and expertise in executing projects of varied themes and sizes in collaboration with State and Central Governments. In addition to executing projects, the organisation is also engaged in evaluation, training, research and documentation assignments for different Government programs.

OUR REACH

- 30 districts in Tamil Nadu
- 86 Blocks
- 534 Panchayats
- 38,16,000 beneficiaries

OUR APPROACH

The organization has evolved itself as an integrated, end-to-end service provider in social development sector by partnering with corporate, funding agencies and Government to achieve the larger social objectives through a continuous engagement process.
